**Marital Conflict Between Arab Descent Women with Men Non-Arab Descent (Miniwaty, M.Psi dan Dra. Ninawati, MM); Bachelor Degree in Psychology Tarumanagara University (111 pages; P1-P3; L1-L18)**

Marriage is a union of two individuals in holy bonds. But marriage is not only unites two individuals but also two families. Marriage different cultures often is not easy to run because of the need to high adjust, not only between couples but also with families. This study aims to find out the conflict in women of Arab descent with a man of Arab non-Arab descent's marriage. Conflicts can occur in marriage not only between couple but also conflict with the family. This study uses the method in-depth interviews to find out the conflict in the marriage of cultural difference. Subjects in this study amounted to 4 (four) people. From the research it was found that the conflict in her marriage with a man of Arab descent non-Arab descent not only couple's conflict but also conflict with the family.
