Assalamu'alaikum Wr. Wb.

We are proud of presenting Unisbank International Conference on **“Social Welfare Policy-Based Investment in Anticipation of the ASEAN Economic Community (A Study of Economic, Law and Information Technology)**. This conference is intended as a forum for disseminating knowledge and academic knowledge exchange. Presented in this seminar are ideas and / or research results from experts like his excellency governor of central Java, Mr. Ganjar Pranowo, Dr. Faisal Basri, MA (University of Indonesia), Prof. Dr. M. Hawin, SH., LL., M (University of Gajah Mada), Prof. Rachmat Budiarto, Ph.D. (Universiti Utara Malaysia), Dr. Habib Kassim (ERC, Singapore), and Satriyo Yudiarto (Comissaris President of Surya Yudha Group). Unisbank International Conference also presents a call for papers from some academicians and researchers from several universities in Indonesia. The Conference encompasses manuscripts including three scopes of themes, namely (1) Economic studies, (2) Law studies, and (3) Information Technology Studies). All papers have been carefully reviewed by expert reviewers from UGM, UNDIP, UNIKA, and UNISBANK.

We would like to express our sincere thanks to our stakeholders and reviewers as well as especially our delegates. We would like to thank all the contributing authors for providing such a rich variety of outstanding research articles on a broad range of existing topics. We apologize if there are imperfections in the implementation Unisbank International Conference in 2013.

Wassalamu'alaikum Wr. Wb.

THE ROLE OF AIR TRANSPORT TO PUSH THE NATIONAL ECONOMIC DEVELOPMENT IN INDONESIA

Martono¹⁾ and Amad Sudiro²⁾

ABSTRACT

An Indonesian air transport increase significantly. The development of air transport recorded 15% from 2010 to 2011. The development could not be separately with the new Civil Aviation Act of 2009. The Civil Aviation Act that came into force on January 1, 2009, has promoted the development of Indonesian air transportation. It regulates the requirements to obtain a business permit such as aircraft ownership, airlines' capital, share holder composition, bank guarantee, aviation human resources, type of commercial air transport such as cabotage, domestic scheduled air transportation, domestic non-scheduled air transportation, general aviation, pioneer air transportation, international scheduled air transportation, international non-scheduled air transportation, tariff such as policy of tariff, component of tariff, economic and non-economic tariff, prohibition to sell economic ticket above the ceiling tariff stipulated by the Ministry of Communications (MOC), type of services provided by an airlines such normal services, medium services and no frill services, ratification of Cape Town Convention of 2001 and open sky policy. Before description of the above mentioned, would be describe historically to give the way to understand easily.
